

MAHARASHTRA ACADEMY OF SCIENCES

Date : 1st July 2026

Subject: Invitation for nomination of Fellows, and Young Associates of Maharashtra Academy of Sciences (2026)

The procedure for induction of new *Fellows*, and *Young Associates* of the Maharashtra Academy of Sciences (MASc) has now been initiated. The revised nomination forms for the Fellows, and Young Associates to be inducted the year 2026 are available on the Academy's web site "www.mahascience.org." The nomination form, score sheet and the corresponding curriculum vitae (CV) including the list of publications and related information should be sent to the following E-mail address on or before **August 15, 2026**.

E-mail address : maharashtraacademyofsciences@gmail.com

It may please be noted that while a nomination can be filed via an e-mail, the hard copies of (i) the duly completed nomination form, and (ii) the summary of important contributions of the candidate (maximum 150 words) must be received at the following address. Also provide the required information in the below link

<https://forms.gle/dCh3SyXSQo2VQXcx5>

Dr. Sunit B. Rane,
Secretary,
Maharashtra Academy Of Science
Centre for Materials for Electronics Technology (C-MET)
Off Pashan Road, Panchawati, Pune-411008,
Maharashtra, India

The hard copy of the fully completed nomination form must bear the signatures of the proposer and seconder as also the summary of the important contributions of the candidate. The soft copy of the duly filled nomination form should be sent to the email address of the academy stated above. **The proposer is requested to nominate Fellow/YA considering the suitable score of the candidate as per the enclosed score sheet.** It may be noted that nominations received in both the soft and hard forms only will be considered for the election and award of the Fellowship/Young Associateship.

Once a nomination for the award of a Fellowship, Teacher Fellow and a Young Associateship is submitted, it remains valid for two more years. Accordingly, it is requested that those candidates whose nominations have been received in 2024 and 2025 and who have to be considered afresh in the current year (2026), have to only update and send their publications list in the hard-copy and soft-copy form on or before the due date on the above-stated addresses. In case of no response, the previous list shall be considered.

See the attached invitation and nomination form.

Thanking you

with regards

Dr. S. B. Rane, Secretary, MASc
